

Brockway Springs Rentals

Brockway Springs Resort's location on the north shore of Lake Tahoe offers you a kaleidoscope of things to do and see whatever your mood or lifestyle; from skiing and boating, to exciting casino night life, to a quiet evening in front of the fire. On-site our Recreation Area has two tennis courts, a year-round heated outdoor swimming pool*, fishing and boating pier, a Lakeview clubhouse to relax and take in the lake front view, coed sauna (bathing suits required) and a fitness room. Your vacation condo becomes the ideal spot for an affordable family get-together, intimate weekend or a week away from it all.

*Swimming pool closed twice a year for 1-week of maintenance. Once in the Spring and again in the Fall; inquire about dates.

Once you arrive at Brockway Springs all you will need are your personal items. Our condominiums are completely furnished units with cable TV and DVD. The kitchens are full-size and fully equipped with dishwashers, self-cleaning ovens, microwaves, blenders and coffee makers. Of course, all bedding, linens and towels are provided. Outside you will find patio furniture and electric barbecues.

All our condominiums are privately owned year-round homes, so furnishings and decorations vary from unit to unit. Most of our lake view one and two-bedroom townhouses have fireplaces with centrally located laundry facilities. Most of our three-bedroom lake view townhouses have fireplaces and all with washers and dryers. The four-bedroom lakefront townhouses have it all.

The Brockway Tower, our seven stories high-rise with 3-bedroom accommodations, has great views of Lake Tahoe and the Sierra Nevada mountains. The three-bedroom units (no fireplaces or washers and dryers) have either a lake view or are lakefront and have ground floor laundry facilities available for a minimal charge. Tower trash chute available adjacent to the elevator.
